

Light-A-Luminary

For the families of the Ronald McDonald House
Presented by

Dear Neighbor,

The Ronald McDonald House of Eastern North Carolina and the Ronald McDonald House inside the James and Connie Maynard Children's Hospital provide a temporary home for families of seriously ill or injured children receiving treatment from area medical facilities.

You can help support the families of the Ronald McDonald Houses by joining your neighbors in purchasing luminary kits to light up the streets of our neighborhood in honor of the families who are unable to be at their own homes during the holiday season.

How You Can Help

- ◆ Purchase a luminary kit for \$10. **One kit funds a family for a night.** A kit includes **10 candles, 10 white bags, and sand.** The average yard requires 2 kits.
- ◆ Purchase luminaries online by following the link on our website and Facebook page.
- ◆ Keep in mind that luminaries also make great gifts, party and wedding decorations!
- ◆ If you do not wish to purchase luminaries, **you may choose to make a donation to the Ronald McDonald House.**

Return the form below to your Luminary Street Chairman by December 16th. There will be a box for them on the front porch.
