HOST A WISH LIST DRIVE

Ronald McDonald House Eastern North Carolina

The Ronald McDonald Houses of Eastern North Carolina provide a temporary home, support and access to medical care for families of children who are receiving treatment from area medical facilities.

To keep our two Houses running as homes, we rely on Wish List item donations. Up to 31 families stay with us every night and many more use our common space inside the James & Connie Maynard Children's Hospital inside Vidant Medical Center each week. Your donations help make their stay as comfortable as possible.

Items in **BOLD** are our most pressing needs. Also check out our online Wish List at www.amazon.com and Target.com. Search the Wish Lists for Ronald McDonald House of Eastern North Carolina and have items shipped right to us!
